College Dress Code

On all occasions, the formal and sport uniform should be clean, neat and in good repair. Items are not interchangeable. Personal presentation and accessories need to be consistent with the College uniform. Fashion dictates there will often be some disparity between current trends and College expectations. It is unrealistic for the College to respond to trends on a seasonal basis, so it is without reservation that we set requirements that ensure health and safety, as well as setting a high standard for personal presentation.
